

REFERENCE LIST		
Management and construction		
PARTNER	PROJECT	ACTIVITIES
UNIT INVESTMENT N.V	WEP 3 pcs. Vestas V90-3MW Prolez, Bulgaria	Overall project design and management- full control over implementation, commissioning, 72-hour tests, agreement with E.ON Bulgaria Network AD for power purchase, coordination with NEC and ESO. Management of WEP construction, start- up and commissioning.
VESTAS	WEP 3 pcs. Vestas V90-3MW Prolez, Bulgaria	Main Contractor of Vestas: overall construction of WEP – foundations, access roads, crane pads, cable lines, main switchgear, 72- hour tests, start- up, commissioning
AES/ EQE	156 MW	Eng. Ivaylo Dimitrov, through EQE engineering- consultant company, supervision of the entire electrical part- cable lines, substation 110/33kV
UNIT INVESTMENT N.V		Technical Due Diligence of projects of wind power farms
GLOBAL WIND POWER		Consultations on grid connection of a wind farm
E.ON		Technical consultations on grid connection issues
WIND POWER INVESTMENT	WEP 1 pcs. Enercon E40 Kavarna, Bulgaria	Overall project management- construction of foundations, access roads, crane pads, cable lines, main switchgear, complete concrete transformer station, 72- hour tests, start- up and commissioning.
UNIT INVESTMENT N.V	WEP 2pcs. Vestas V90-3MW Prolez, Bulgaria	Overall project management- construction of foundations, access roads, crane pads, cable lines, main switchgear, 72- hour tests, start- up and commissioning.
REIFFEISEN ENERGY	WEP 3pcs. Vestas V90-3MW Prolez, Bulgaria	Reconstruction of crane pads, access roads, and areas around the wind turbines and main switchgear
WINDCKRAFT SIMOSFELD	WEP KAVARNA, Bulgaria	Reconstruction of crane pads, access roads, and areas around the wind turbines and main switchgear
ENEL	WEP KAVARNA, Bulgaria	Reconstruction of crane pads, access roads, and areas around the wind turbines and main switchgear
EFASEC	Substation 110/20kV	Complete site management of the construction, 72- hour tests, commissioning.
SOL BULGARIA	Factory for medical and industrial gases and a substation 110/6kV	Complete project management
NIMEX 2004/ NEDYALKOV PROJECT MANAGEMENT	A wind farm project for 18 pcs. wind turbines, Gorichane, Bulgaria	Complete project management and implementation of all activities.
NIMEX 2004/ VEP PROLEZ	A wind farm project for 22 pcs. wind turbines, Prolez, Bulgaria	Complete project management and implementation of all activities.

Partnership

PARTNER	PROJECT	ACTIVITIES
BULGARIAN INDUSTRIAL GROUP	WEP 6 pcs. Suzlon S88-2,1MW Kardam, Bulgaria	Construction, assembly and installation
VESTAS	WEP 2 pcs. Vestas V90-2MW Hrabrovo, Bulgaria	Construction, assembly and installation
AES GEO ENERGY	WEP 52 pcs. Vestas V90-3MW Kavarna, Bulgaria	Construction, assembly and installation
ENEL	WEP 14 pcs. Vestas V90-3MW Kamen bryag, Bulgaria	Construction, assembly and installation
NOTUS	WEP 5 pcs. Vestas V90-3MW Lyahovo, Bulgaria	Construction, assembly and installation
VERBUND	WEP 7 pcs. Vestas V90-2MW Vranino, Bulgaria	Construction, assembly and installation
Deutchewindtechnik	WEP 16 pcs. Enercon E66-1,8MW Bremenhaven, Germany	Construction, assembly and installation
TERNA ENERGY	WEP 9 pcs. Gamesa G90-2MW Vranino, Bulgaria	Construction, assembly and installation
GES	WEP 50 pcs. Vestas V90-3MW Pantelimon, Romania	Construction, assembly and installation
GES	WEP 9 pcs. Gamesa G97-2MW Sarow, Romania	Construction, assembly and installation
GES	WEP 30 pcs. Gamesa G97-2MW Orta Nova, Romania	Construction, assembly and installation
AIS	WEP 2 pcs. Enercon E66-1,5MW Mogilishte	Construction, assembly and installation
VESTAS	WEP 2 pcs. Vestas V80-2MW Prignitz, Germany	Construction, assembly and installation
VESTAS	WEP 5 pcs. Vestas V90-2MW Pritzwalk, Germany	Construction, assembly and installation
VESTAS	WEP 8 pcs. Vestas V90-2MW Altentreptow, Germany	Construction, assembly and installation
VESTAS	WEP 5 pcs. Vestas V112-3MW Volschow, Germany	Construction, assembly and installation
VESTAS	WEP 3 pcs. Vestas V90-2MW Ferchland, Germany	Construction, assembly and installation
VESTAS	WEP 1 pcs. Vestas V90-2MW Hamburg, Germany	Construction, assembly and installation
VESTAS	WEP 5 pcs. Vestas V90-2MW Mertensdorf, Germany	Construction, assembly and installation
VESTAS	WEP 7 pcs. Vestas V112-3,3MW Braderup, Germany	Construction, assembly and installation
VESTAS	WEP 4 pcs. Vestas V80-2MW Ausbittel, Germany	Construction, assembly and installation
VESTAS	WEP 1 pcs. Vestas V90-2MW Stahlwerke Bremen, Germany	Construction, assembly and installation
VESTAS	WEP 1 pcs. Vestas V90-2MW Schwanebeck, Germany	Construction, assembly and installation
CIWIND	WEP 17 pcs. Enercon E101-3MW Riepsterhamrich, Germany	Construction, assembly and installation
ARGOS ENERGY	WEP 2 pcs. Enercon E70-2MW Selce, Bulgaria	Construction, assembly and installation
